

I'm checking in
Not allowed a
Bottle of gin
That's a rule
I can't wait to jump
In the pool
Off to the Dominican
That's my location
Oh no, I need my vaccination
Yes, I'm having a vacation

To get me in the holiday mood
I need some aeroplane food
I'm up in the air
But I don't care
I see a ranger
He's not a stranger

When the door opens
It's super hot
I'm too quick for lotion
I'm going to leap into the ocean
