

Airport Adventure

I'm waiting for my plane
Not allowed champagne
Got an hour to wait
I'll make sure I am not late
I'm gonna go and shop
And eat an ice pop

Finally on the plane
I'm allowed Champagne
Looking out the glass
I'm flying first class
The plane is a jet
I'm eating a baguette
As I'm flying in the Air
I do not care

We landed on the runway
I need to get away
To my dream location
I'm going on vacation
Finally in Spain
I have left the plane

Took a trip to the beach
I am eating a peach
Staring at the ocean
Putting on Sun lotion

I'm at the hotel
Everything is going well
I'm now at the pool

Looking like I rule
As the sun went down
I wore a frown
The day was over
I wish I'd found a good bag Claves
