## Summer holiday activities in Herts museums

The Museums Explorer Passport is back for 2017! Museums in Hertfordshire and Bedfordshire have teamed up to offer a **free** passport for children and families to take part in a series of challenges and **free** craft activities.

Children will get a stamp for each challenge they complete which goes towards an Arts Award Discover qualification and certificate. This award provides a great introduction to the arts and to other Arts Award levels. The passport has been created with the aim of encouraging families to visit museums and show them how many great museums there are on their doorstep, providing a range of fantastic, affordable activities during the holidays. You can collect your free passport from any participating Museum in the two counties and more information is available at <https://museumexplorerpassport.com/>.

## Herts libraries Summer Reading challenge

The theme for this year's Summer Reading Challenge in Hertfordshire libraries is "Animal Agents", a detective team with a difference. Created by bestselling Horrid Henry illustrator Tony Ross, the clever creatures use their amazing natural instincts to solve a mystery at the library. Please encourage your children to take part and bring in their medal and certificate in September.

### Parking at Sports day

Very disappointingly I have received a number of complaints, including one from the Parish Council, regarding inconsiderate parking in the Village and the Memorial hall car park during Sports day. There is a very real possibility that these car parks will be closed to us in the future and we may not be able to continue to hold whole school events. This would be a real shame; so I can only reiterate my previous repeated requests that you only park in the marked bays and be considerate of other users.
