Return to School

We are really looking forward to welcoming all the children back to school on Monday 8th March. The Government have stressed that it is mandatory for all children to return. We are waiting for more information about the expected logistics but we anticipate that arrangements will be very similar to the Autumn term. We will let you know as soon as we have confirmation. The children will need to bring their packs back with them and please ensure your child has full school uniform, including black shoes.

160th Anniversary

Our school was officially opened in April 1861 and will be 160 years old this year. When the children return in March they will be learning a little bit more about an aspect of the school through the previous 160 years as part of a whole school project. We look forward to sharing more about our school history across the classes.

Parent Consultations/Reports

We would normally have parent consultations just before the Easter holidays but as the children will have only been back 2 weeks we have decided to postpone it until the Summer term when the teacher will have more information to discuss with you. All children will receive a report in the Summer term.

Occasional Day

We have decided to rearrange our Occasional day, which was postponed from November to **30th April**, which will give a long weekend as the Monday is May Bank holiday, when hopefully we will have better weather and a chance to meet up with more people.

Yours sincerely
Mrs M. J. West
