# Summer Holiday

## Herts Fire and Rescue summer safety

Stay safe this summer with Hertfordshire Fire and Rescue Service. On the StayWise website you can find a selection of fun activities that promote safety to children and families.

## Pierced ears

If you are thinking of getting your child's ears pierced please arrange this at the beginning of the summer break so they are able to remove them for PE by September.

## Maths Factor

A 21 day free summer maths course by Pearson's is now open for children of all ages to boost confidence and keeps maths alive over the summer- a little bit each day will help them be confident when they return.

## Foodbank

We would like to let everyone know that the Food Bank in Bishop's Stortford is open to help any family who might find themselves struggling financially at the moment. If anyone is experiencing food crisis, for any reason, we want to support them. We have the food, the funds and the organisation to help anyone that needs food (both fresh and non-perishable), toiletries and cleaning items. Families simply have to contact an agency such as Citizens Advice, and ask for a referral to us. All supporting agencies can be found on our website: <https://www.bishopsstortfordfoodbank.com/how-to-get-a-voucher>

### Charity

We are very proud that one of our Year 4 children is doing something marvellous for charity by having his lovely curly hair cut off on Saturday, it's to help another child who has a rare form of cancer and needs life changing treatment in America:
