# School Games

This event is being organised by your local School Games Organiser as part of the nationally funded School Games programme for pupils at your school.

## High Wych CE Primary School are proud to provide our children sporting opportunities through the School Games

The School Games is a National government led initiative that every school in the country has access to. It is funded by Sport England National Lottery programme and delivered by The Youth Sport Trust.

In Hertfordshire, the School Games programme is delivered by 12 School Games Organisers (SGO's) all working to support a local and county offer of opportunity for all pupils aged 7-16.

The School Games mission is to put physical activity and competitive sport at the heart of schools and provide more young people with the opportunity to compete and achieve their personal best.

Sport offers opportunities for everybody. Hertfordshire run a wide variety of activities to support every child whether it be through Archery or Wheelchair basketball.

To find out more about the School Games and the opportunities available to your child, please watch The School Games in Hertfordshire video:
