Class photos

The photographer will be here on May 3rd to take class photos. We have asked for a Coronation pack as a memento.

Year 6 Bikeability

We still have spaces should any Year 6 child wish to participate. Please sign up on Arbor. This is a very worthwhile life skill.

Coronation Celebration- 5th May

We are excited that we will be celebrating the King's Coronation at school on Friday 5th May by holding a red, white and blue day. The children may wear anything red, white and blue- no face paints or hair dye please.

The kitchen will be offering a special cold meal only so we can all enjoy a picnic on the field weather permitting. Please get your child to bring a rug if you have one. If it is wet we will still have a picnic but in the hall.

The choices are cheese, ham or chicken for the sandwiches, plus a sausage roll plus salad/fruit and a dessert.

Please try to get your child to make a crown to wear to school all day, should they wish.
(Year 5 will still be going to their swimming session on that day but at an earlier time)

Blocking the main road

Yet again we have received many complaints from local people due to the fact that there are inconsiderate drivers who won't move on along the road and come back later either turning left or right into school, thus preventing the free flow of traffic along the road. This stopped us from getting the coach back into school twice this week.

Please..... if you are the 3rd car trying to get in by turning right- you are blocking the free flow of cars behind you- move onto Redricks Lane and then come back - if you are stopped on the road and trying to turn left... please drive on to Rivers and turn around.

This will prevent an accident and allow our children to get picked up safely. The children are supervised by school staff until you arrive.

Dinner Money

Please pay any outstanding debts and keep your accounts up to date. Thank you.
