

## High Wych Stamp Project

**From next term we will be collecting used postage stamps! Please can you help?**

The UK's Air Ambulance Services are charities which receive no government funding and rely entirely on charitable donations to continue flying and responding to life threatening emergencies.

This charity can recycle our used postage stamps in order to help fund this vital service.

- All kinds of stamps are welcome
- On or off paper
- Please leave no more than 5mm single thickness border around the stamp.
- The perforations should not be damaged.

If you bring some stamps in, please can you give them to your class school council representatives. Nursery, Reception and Year 1 children can hand them into their teacher to pass onto the School Council.

**Thank you!**

**Your High Wych School Council**
