It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on ‘**whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school**’.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2021** at the latest.

**** In the case of any under-spend from 2019/20 which has been carried over this must be used and published by 31st March 2021.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
<p>The Key workers enjoyed daily Joe Wickes sessions.</p> <p>Once the children were back half a class at a time the teachers tried to ensure that this continued and homework was set to support this.</p> <p>We were due to attain our Platinum award this year and were on track for this but due to COVID we were limited with what we could offer. We received a certificate in recognition of ongoing contribution and achievement in the School Games Programme.</p> <p>Break time clubs were introduced and continued eg table tennis and speed stacks.</p> <p>The wooded area was starting to be cleared for outside lessons but has been put on hold.</p> <p>Complete PE package used to support lesson planning and assessment</p>	<ul style="list-style-type: none"> • OAA - wooded area to be used for orienteering and outside lessons. • Swimming lessons were not used in spring 2 for catch up so currently there are children in Year 6 children who need more swimming lessons to ensure they can swim 25m etc. • Achieve platinum summer 2021 • New PE assessment framework to be rolled out across the whole school • New Complete PE framework to be reviewed in light of COVID to ensure curriculum requirements met • Get Active Week used to introduce new and healthy active experiences for emotional well being • To provide a wide range of break and lunchtime clubs when possible due to COVID increasing opportunities for children across the school
