

Dear Head Teacher and Governors,

Congratulations on becoming a 2021/22 Music Mark School!

Your school has been nominated by your local Music Service/Hub to become a Music Mark School. They have recognised the value that you place on music and asked us to add you to the growing number of Music Mark Schools we support across the UK as a Music Subject Association.

We would like to thank you for all the hard work you and your colleagues do to ensure that pupils at your school are able to access and engage with a high-quality music education. Your dedication to offering and delivering a broad and balanced curriculum is both welcomed and celebrated.

Below you will find an outline of the benefits of being a Music Mark School, of which a key benefit is access to our member-only content which includes guidance, teaching resources, and ideas to support the delivery of music. We also run member-only training and events and we will keep you updated with a monthly newsletter and a termly Music Mark Schools update.

To accept this nomination and access these full Music Mark member benefits, please sign up to create your Music Mark website log-in HERE.*

You will then be able to download the full Schools Welcome Pack, which includes your exclusive Music Mark School logo and a certificate you can print and display.

** Please note if you previously had a Music Mark website log-in, you will still need to sign-up, as the 2020/21 membership attached to this account will expire on 31st July.*

Music Mark is able to champion Music Mark Schools through a partnership with [ABRSM](https://www.abrsm.org) who are one of our Corporate Partners. To find out more about the work they do and some of the resources they could provide for your school, please visit: <https://gb.abrsm.org/en/inspire/>.
