School Awarded Primary Science Quality Mark

We are delighted to report that we are one of 334 schools nationally who have been awarded the Primary Science Quality Mark celebrating our commitment to excellence in science teaching and learning. Only 4000 schools across the UK have achieved this prestigious Primary Science Quality Mark since 2010. Congratulations to Miss Green and everybody else involved for this great achievement.

Value of the month

When we come back the Value for June is **Uniqueness** and the stories used to support this are 'In the Beginning', Genesis 1 & 'A Flood and a promise', Genesis 6-9

6 th July	Yr 3/5 Skreens Park tbc
8 th July	Transition day
16 th July	Reports out
2 nd September	Children return

Walk to School Week 2021

Message from the Herts Sustainable Travel Officer:

Sawbridgeworth Primary Schools came together last week for Walk to School Week 2021. From 17 to 21 May, pupils across the town walked, cycled or scooted to school. Well done to all who took part! Don't forget to continue walking, cycling and scooting on short local journeys when you can!

Hairbands

Please remember that hairbands and bows in children's hair should be discrete otherwise they will be removed. Thank you for your support.

Parent consultations

Thank you for the majority of parents who remembered to attend their selected times. It is not always possible to rearrange any missed slots as teachers are very busy.

Covid 19 update

Please read carefully the attached information from HCC, paying particular attention to current travel restrictions.

Have a lovely half term, hopefully the sun will come out!!

Yours sincerely
Mrs M. J. West
Headteacher
