Happy New Year

I hope you all had a good Christmas break and all stayed safe and well.

Value of the month

December Value is **Endurance** and the stories used to support this are 'Down in the well' Jeremiah 17 and 'The Good Shepherd' Matthew 18 (SUCCESSFUL- Please see the website for a list of the values used).

Well here we go again!

Remote Learning

For children in Years 1-6 your class teacher should have sent out today, or will be sending this afternoon, information via J2E about accessing work for the next few weeks and when there will be live lessons available for your child to access. We will try to make this as effective as possible. Daily work will be set on J2E and other websites so please make sure your child has their logins (which are in their reading record) and are available daily. We will try to offer a full range of work including Music and French.

Information for Nursery and Reception will be sent separately.

Staffing

We welcome Ms Hall to our school who will be teaching Year 6. She is looking forward to working with the children, albeit in a different way to how she was expecting.

Congratulations

Congratulations to both Miss Green and Miss Smith who are expecting babies in the summer term. We are looking forward to welcoming two new additions to our High Wych family!!

Key workers

Information for key workers and vulnerable children who have requested places has been sent out. If you have not received this and were expecting it please let the office know.
